Thank you Sheryl,

I forwarded your DRAFT work plan to Steve Wharton and the other technical reviewers. Sarah and I will start our review right away. If you have the application forms and a draft budget completed we would be happy to look at those as well. As for our written response to the letter sent to Shaun McGrath on October 12, Bill and I spoke with Joe Kerby on Monday and assured him that we are working to get the accurate answers to each question before sending a reply.

Subject: La Plata County Draft Workplan

Cinna and Sarah: Attached is La Plata County's initial draft of our Gold King Mine workplan for the cooperative agreement. As you may recall, when we met in August, you offered to provide input to us prior to our formal submittal. In that spirit of cooperation, we look forward to your input on all of the listed tasks, as well as the format and completeness.
